16th ANNUAL BOARS NEST COACHES CLINIC 2017-2018 **SEPTEMBER 30**

It's that time again! I can smell the sweat in the gym and the popcorn popping!! I have gathered the best bunch of basketball junkies I could find! What more in life do we want more than a bunch of friends sitting around talking hoops on a Saturday afternoon?

We have a great line-up of speakers and I can't wait to steal from some of the best coaches in the State. After the coaches speak feel free to hang out and stay as long as you want. Bring your playbooks, notebooks and be ready to throw all your secrets out. **Just a reminder the bar/restaurant only takes cash (no credit cards).** Please feel free to bring your assistants and invite other coaches!! This is a FREE clinic, no registration, just show up!

The following coaches will be our featured speakers:

12:15-1:15 pm Coach Jon Miller Hanover College - Former Hanover standout Jon Miller begins his tenth season as the Panthers' head coach. He is the 21st coach in Hanover's basketball history and only the third on the Panthers' bench since 1965. Hanover is coming off arguably its best season in the history of the program after going 26-4 overall and making it to the NCAA National Tournament Round of Eight for the first time. The Panthers also won the Heartland Collegiate Athletic Conference regular season and tournament titles in 2016-17 and finished No. 7 in the final D3Hoops.com National Poll. After finishing with only nine wins in his initial season, the program has averaged close to 18 wins per season over the last four years. 2015-16 marked the program's 23rd winning season in the last 24 years. This success has also been the case in Heartland Collegiate Athletic Conference action. Over the last seven years, his Hanover program has registered the highest win total of any team in the HCAC. His teams have compiled an impressive 85-37 record during this stretch. They are also the only program in the league to qualify for the conference tournament in each of the last eight years and to advance to at least the semi-finals in six of the last seven seasons.
